Answer

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS
[GEN. (DR) V. K. SINGH (RETD)]

(a) & (b) As per information available with the Ministry, the country-wise details of fishermen apprehended/imprisoned and the boats under custody in foreign countries, along with details of their release are given in the Annexure.

(c) & (d) The Government attaches the highest priority to the safety, security and welfare of Indian fishermen. Our Missions and Posts regularly seek consular access to Indian fishermen detained in foreign countries, ensure their welfare and also pursue their early release and repatriation, along with their boats. Given the humanitarian and livelihood dimensions of this issue, the Government has put in place several bilateral mechanisms to ensure cooperation and understanding between India and the countries concerned, to promote the safety and security of Indian fishermen.

In case of Pakistan, we have a bilateral Agreement on Consular Access, signed in May 2008. The India-Pakistan Joint Judicial Committee, consisting of retired judges of superior judiciary from the two countries, visit jails in both countries to ensure humane treatment and expeditious release of prisoners, including fishermen on both sides, who have completed their prison terms.

In the case of Sri Lanka, our Mission works closely with the Sri Lankan Ministry of Defence, the Attorney General's Office and the law enforcement agencies concerned, to secure the release and repatriation of our fishermen. There is a Joint Working Group on Fisheries and a Joint Committee on Fisheries, which take up fishermen's issues for resolution on basis of the bilateral Understanding on Practical Arrangements of October 2008. In addition, talks are held from time to time between representatives of the Fishermen's Associations in India and Sri Lanka.

In the case of Bangladesh, on receipt of information of the arrest of Indian fishermen, Mission contacts the concerned District Magistrates in India to ascertain their Indian nationality and thereafter pursue with the Bangladesh authorities for their release. For this, Mission seeks consular access from Ministry of Foreign Affairs and contacts local NGOs for their welfare during their imprisonment in Bangladesh.
